

## DIALOGUE:

A: Darling, it's getting late. High time you got your skates on. We are going to be late...

B: I can't seem to decide which dress I should wear.

A: It does not really matter. Trust me, you will MAKE A SPLASH anyway.

B: That's very kind of you, but could you help me with this?! I cannot make up my mind.

A: Alright then, so I would go for the dark-blue one. You are going to look stunning! Simply drop dead gorgeous!

B: Really? You think so ?

A: Of course I do. Just look at us. I just want to DANCE THE NIGHT AWAY with you. It has been such a long time since we went out. Let's make this night unforgettable.

B: But have you ordered a taxi for us yet?

A: Ohh no... I forgot about that! It did slip my mind.

## DIALOGUE:

A: What's wrong Susan?

B: I promised my boss that by Friday all the reports would have been sent. Looks like I have lost some documents. And I do not know where to find them. I have already checked the car, my files and still nothing. They have vanished into thin air! And now I see that all calculations are wrong. I'VE just GONE ILL WITH everything!

A: Do not worry. We will find them. When was the last time you saw them?

B: Not long ago, 2 days ago I guess. And lately I haven't gone to the office. Since Monday I have been working from home.

A: So they have to be somewhere here. Let me see. But wait! What is it underneath your laptop!?

B: Oh boy! How come I haven't seen them before?! If it had not been for you it would have taken ages for me to find them! Thank you babe!

A: That's ok. Everything will be fine. By Friday the report will be finished. Oh and btw you had better be AS COOL AS A CUCUMBER, ok ? You rock !

## DIALOGUE:

A: Hi Ola! Here's the thing. Well... you know... it's just.... you see... I saw yesterday that Paul added new photos with a girl on Instagram... You must be pretty pissed off, aren't you?

B: I've seen them. You know what, it is not so bad. I am hanging in there actually. I thought I would react a lot worse. I'm fine though.

A: Wow, really you are AS COOL AS A CUCUMBER! I'm glad you are handling it so well. It's just the opposite to what I thought it would be.

B: You know what, I sometimes think that it was inevitable anyway, and I just want to turn over a new leaf.

A: There there. Now you are talking. Focus on yourself for a while! Make a fresh start. Simply get on with your life. I am sure that the way he treated you will GO ILL WITH him!

B: Maybe ... Well yeah anyway, what goes around, comes around. But I really don't want to think about it now, it's a waste of time!

## DIALOGUE:

A: Guess what! I've got promoted today. In fact I was so terrified when the secretary asked me to come to the office. But it turned out it was about promotion. I am so happy and I still cannot believe this! I did not expect it at all. Now I AM LIGHTING UP LIKE A CHRISTMAS TREE, aren't I?

B: Congratulations, that is such good news ! I guess you will party all night! If I were you I would definitely open a bottle of champagne !

B: Yeah, I am going to celebrate this with Mark tonight. You know what. You never know what the future holds in store. Life can be really unpredictable. Wait till I tell you the rest. AT THE CORE OF this situation, I will be able to create my own team as I will be responsible for a new project. And the first person who came to my mind was actually you! Would you like to join me?

A: Now, I am about to light like a Christmas tree!

## DIALOGUE:

A: Hi Baby, have you thought what we are going to buy for mums? It's pretty soon..

B: Not too much, but you know that of the two of us you are the one who has better gifts ideas!

A: Hmm, you say that because you want to get you out of it right?

B: You got me on that one! I just know that you really like thinking of all those things and buying presents.

A: You're right. I'm so taking it upon myself! But this time I really don't have any idea! You know what, AT THE CORE OF THAT is that they don't even have any hobby... That would definitely solve the problem.

B: I know, it sucks... But do you remember when we sent the flowers to your Mom last year? She WAS LIGHTING UP LIKE A CHRISTMAS TREE. So I don't really think it must be big. it's the thought that counts.

A: Indeed, it worked wonders last year. But on the other hand they always work their fingers to the bones when we visit them, and you know, I just wanted to give them something special to say "thank you".

## DIALOGUE:

A: Hi George, I am calling to tell you that we are definitely going to be late. We are stuck in traffic. I am very sorry. We set out an hour ago but I'm sure we will be late.

B: That's ok. There must be a traffic congestion because people HAVE TAKEN UP TO THE STREETS. They are protesting against new regulations.

A: Oh no! We should have predicted that. They said something on tv about that, but I simply ignored that cause I have enough of it...What do we do now? We have been stuck in the same place for over 20 minutes.

B: Do not worry. Other guests have also called. They are running late too.

A: I hope we will beat the traffic. I'll keep you posted. And sorry once again! I can't wait to talk to you. I HAVE finally HIT UP ON the reason the experiment has been failing.

## DIALOGUE:

A: Hi Paula! How was your weekend?

B: Hi, great to see you! Oh, my weekend was just awesome! I don't know about Warsaw, but in Bydgoszcz the weather was finally great! It was very warm and sunny so I went biking but on my way back home I HIT UP ON a bin.... It was my first time this year and I forgot how much I love it! I guess I was riding a bit too fast..

A: Yes, It was very nice over here too! I went for a long walk with Kuba and we were amazed how many people were actually on the streets and especially in parks!

B: The same here! It was annoying sometimes, because it was hard to push through the crowds of people on bikes, but no wonder that everybody TOOK TO THE STREETS, we all had missed the sun!

A: It's a pity that the weather has turned bad again, but I hope that the real spring will come soon! Trying to get out as much as possible while this weather holds.
